

The Province, BC Canada

19/02/2010

VISITOR OF THE DAY

Catherine Salän, France

"It is my tenth Olympics. It's quite good, I think. It's cool, [the crowds] are no problem. I'm

enjoying the Olympics, they are always a good experience. The people are very nice, very friendly. I collect the pins and when I am looking where to go, all the people are very helpful showing me."
