COMMUNIQUE

XXVIe Foire Mondiale des Collectionneurs Olympiques à Artena 2022 (Rome)

Cancellation of the organization of Artena 2022

After consulting its various partners, and in view of the global health situation in the world and international travel restrictions, the Organizing Committee of the WOCF Artena 2022 had to resolve to cancel this world cultural event which was to be held in September 2022.

Great uncertainties still remain about the possibility of all of our participants, outside Europe, to come to Italy without restriction.

It is of course a huge disappointment to be able to meet us in this charming town of Artena.

Above all, AICO would like to thank the entire organizing team and UICOS for all the work they had already accomplished for the success of this event, and the support of the Olympic Foundation.

We look forward to seeing you in June 2023 in Paris !

Until then, we wish all of our collecting friends, passionate about Olympism and its culture, the best! Keep on touch with aicolympic.org
